## MERN STACK DEVELOPER

Singrauli, India 486892 || sunilkumarbais46@gmail.com || +916263491195 || [Linkedin](#) || [GitHub](#) || [Portfolio](#)

### SUMMARY

I'm MERN Stack Developer skilled in building dynamic, responsive web applications. Proficient in MongoDB, Express.js, React.js and Node.js, and problem-solving abilities.

### INTERNSHIP EXPERIENCE

#### MERN Stack Developer Intern

Apna College - Jan 2025 - May 2025

- Developed full-stack web applications using MongoDB, Express.js, React, and Node.js. Built RESTful APIs and integrated them with responsive React frontends. Implemented user authentication, CRUD operations, and data persistence.
